Easter camps and what's it all about?

For the fourth year running we will be hosting our famous Easter tennis camps at Warminster Prep School. The camps are a brilliant way to meet friends, have a great time playing tennis and other games regardless of ability, all under the supervision of our LTA first aid qualified licensed coaches.

The morning sessions will comprise of lots of teaching in a fun relaxed environment, learning skills from basic coordination, all the way through to singles and doubles match analysis. Afternoons are normally all about games, whether it's a tournament, a mini Olympics or just other new ways to win prizes, there's something for all ages and abilities!

Prizes are awarded every day based on what the coaches have seen and no one goes home empty handed! On the last day of each camp there are larger prizes which are awarded for the week, such as rackets, clothing, equipment and lesson vouchers!

It is a tradition that on the last afternoon of the Easter camp, all ages and groups come together for one huge **EASTER EGG HUNT!!** The coaches love to get involved in this too and it's a great way to end the week.

The groups are based around age and ability and if you have any particular requests about this please just get in touch!!

Summer half term camp

For the first time, as a result of growing demand and interest we have planned a two day tennis camp in the summer half term.

Although this may seem like a long time away we are going to be taking bookings **NOW** and not re advertising so places will soon run out!

This will run in a very similar way to the Easter camps, the only difference being the length of the camp.

As this falls right in the middle of the tennis season there will be even more reason to practice and keep those tennis skills sharp!
